

In order to register for your parking pass, you must have access to MyPortal. This access is sent via email after you have been admitted. Please make sure to check your spam folder if you have not received it. The email would have been sent from **FranU Student Access**.

If you cannot find the email, please email fsl@franu.edu so we can get you set up!

It features the Franciscan University logo and the title 'Student Parking Tag Request Form'. The form includes fields for 'Student ID' and 'Full Name', which are auto-populated with redacted information. Below these are sections for 'Vehicle Information', including 'Vehicle Make', 'Vehicle Model', 'Year', 'Color', and 'License Plate Number', each with a corresponding input field.

- 6) Your student ID and name will auto-populate. Complete the remaining sections with your vehicle information. Once all the information is completed, look at the bottom menu bar and click “Submit”.

****Disclaimer:** If you are just getting access to your MyPortal, the parking tag form may not auto-populate with your name and Student ID. If this is the case, please wait approximately 12-24 hours for the information to update. If you are still experiencing this issue after that time, please contact Vincent Randolph at vincent.randolph@franu.edu.
