NOTES:

- (1) The Office of Financial Aid utilizes the budgets to determine how much financial aid may be offered. The total financial aid offered from **all** sources **cannot** exceed the cost of attendance (COA) or financial need. COA minus Student Aid Index (SAI) = Need.
- (2) The estimated annual cost is based on full-time enrollment (12 hours).
- (3) Financial aid awards may be adjusted based on actual enrollment.
- (4) Students who have unusual circumstances may request to have an adjustment. With appropriate documentation, we may be able to adjust the cost to allow for an extenuating personal circumstance.
- (5) Computer Allowance: If you have recently purchased a computer, you may request that your COA be adjusted based on that expense.
- (6) Dependent Care Allowance: Students with dependents may request a dependent care allowance adjustment of \$5336. Submit proof of child care expenses for each child.

* Off Campus Room & Board will be calculated based on the month duration.
