NOTES:					
(1) The Office of Financial Aid utilizes the budgets to determine how much financial aid may be offered. The total financial aid offered from <u>all</u> sources <u>cannot</u> exceed the cost of attendance (COA) or financial need. COA minus Student Aid Index (SAI) = Need. (2) The estimated annual cost is based on full-time enrollment (12 hours). (3) Financial aid awards may be adjusted based on actual enrollment. (4) Students who have unusual circumstances may request to have an adjustment. With appropriate documentation, we may be able to adjust the cost to allow for an extenuating personal circumstance. (5) Computer Allowance: If you have recently purchased a computer, you may request that your COA be adjusted based on that expense. (6) Dependent Care Allowance: Students with dependents may request a dependent care allowance adjustment of \$5064. Submit proof of child care expenses for each child. * Off Campus Food & Housing will be calculated based on the month duration.
